Teenagers have different sleeping order cause some morning they have thing that they have to do at night. Clean up staying up late til 1:00 a.m. geting no sleep if the board do change the schedule. That would be the perfect time 9:30 a.m. and end at 4:30 p.m. Cause the purpose that matter is there better sleeping orders and just about do what you wanters So whoever disagree on the schedules make a choose and agree. It will stop a whole lot of violence children will be more, safer say some parents would like if we get out at that time. The Crime Committes would be able to get involvring in grabing kids I wonder if anyone. Have some body thought about changing it before the board. You may want people to get some sleep but what about. Those days we have to get up at 7:00 a.m. they should of stop time a head, 1 min before they thought about time changing. The time would be better much sleep and on top of that afocus mind every morning. Cause your sleeping hours change there were a couple difficult I was just letting you no you should change the schedule that would. Very appropriate to kids of United States so be aware of causes of prompts

Score Point: 1

This response reflects fundamental deficiencies in persuasive writing skills. The writer takes a position in favor of the schedule change. However, the information presented to support this position is confusing and sometimes incoherent. There is no evidence of organization. Serious and persistent errors in usage and sentence structure impede meaning.
